friendssouthwburialground@gmail.com

PERMIT FOR HEADSTONE WORK

This form must be approved by Friends SW Burial Ground **before the stone is made**. We will review it to make sure the design complies with our regulations and that the lot owner listed is who we have on file.

Friends Southwestern Burial Ground installs our own foundations for headstones.

We charge \$300 to install a foundation. Our permit fee is \$50.

After having the design approved, via email or mail, **please send us a check for \$350 along with the template for the stone to our mailing address above.**

Notice in advance for work at the site is required. Headstones must have the approval of the registered lot owner and Friends SW Burial Ground before they are purchased. They may be no larger than 1 x 2 ft and must be at least 4 inches thick and must be Flat Markers (if in the Muslim Section). If not in the Muslim section, they must be pillow top or flat markers. ***They cannot have images or text beyond the name of the deceased and their birth date and death date.***

Please Note: There cannot be any images or text from the Quran. Photographs and images are prohibited on the stones. They should not mention Allah as they are on flat stones and may be stepped on and thus disrespect the religion.

Please allow
